

**COMPOSITION CERTIFICATE FOR
EMPTY HARD CAPSULES OF VEGETABLE ORIGIN**

This document certifies that the empty hard capsules of vegetable origin, manufactured by C.I. FARMACAPSULAS S.A. have been inspected and tested in accordance with the conditions and specifications established in our Technical Information Manual and manufacturing procedures.

Capsules of vegetable origin, K-CAPS® ingredients:

- Hydroxypropyl Methylcellulose Q.S. 100% Basic raw material
- Purified Water 8%
- Sorbitol 5%
- Silicon Dioxide 2.0%

Opaque colored capsule ingredients:

- Hydroxypropyl Methylcellulose Q.S. 100% Basic raw material
- Colorants FD&C or D&C According to color formula
- Titanium Dioxide According to color formula

All raw materials are certified as Kosher, and Halal, and meet all requirements of current European Pharmacopoeia (EP) and United States Pharmacopoeia (USP). Cellulose ethers are considered as Generally Recognized As Safe (GRAS) by the FDA.

The above specifications apply to all K-CAPS®, unless otherwise stipulated.
